

Our Lady's Grammar School, Newry - Senior Choir

Most of the Senior Choir members have been singing in the Choir since they came to Our Lady's Grammar School. The Choir performs at the school's annual Spring Concert, for school masses and at annual Christmas carol services. The girls enjoyed performing the school's show 'Calamity Jane' in 2006 and this December they will be involved in the school's production of 'My Fair Lady'. The school's next concert performance in April 2010 will, for the first time, focus on pieces composed by members of the Choir – a challenge which excites all Choir members.
